Staff Report

- Tammy Taylor is our staff representative.
- Lunches during Parent/Teacher conferences is wonderful, but would be very helpful if could take one of the lunches and make it a simple dinner for Wednesday night.
- Wendy is fabulous, but makes the art auction project harder because there is no art mom for each class and teachers don't have the time. Need to put in Room Parent description or make sure there is someone else responsible.

Principal Report

- Busy time of year!
- Geared up for Holiday lunch.
- Food drive going on for Sid Franz's service learning.
- District training going on.
- Levy in foremost of our minds.
