All students must register for a seven period day, excluding lunch. Seventh graders are required to take the listed courses. Placement in ability level courses will be determined using district guidelines. The registration form is not complete until signed by student and parent. All course selections will be finalized by the student's counselor. Please be advised that this enrollment request is contingent upon timely receipt of valid, up to date records from your child's previous school. Upon receipt of records, if information there in indicates that this placement is incorrect or that your child has been suspended from another school or district this enrollment will be revoked pending a parent conference or hearing.
