Dear Parent(s),

I am writing to inform you that Boise High School is accepting Open Enrollment applications for students who wish to enter Boise High as sophomores for the **2011-12** school year. If you want to have priority consideration for Open Enrollment to Boise High School, you must apply by May 15th of 2010. Open Enrollment applications are for those students who want to attend Boise High but live outside the Boise High attendance boundaries. If you are uncertain which high school your child would attend, please call our main office at 854-5740 or the District Boundaries and Transportation office at 854-4167. Since the boundaries have changed, those student who currently live in the Hillside Jr. High attendance will be scheduled to attend Boise High and an Open Enrollment application is not necessary.

Open enrollment policies and information can be obtained on the Boise Schools website at the following link:

<http://www.boiseschools.org/counselors/enroll/open/index.html> . If more clarification is needed, please contact me at 854-5750 or at kris.king@boiseschools.org .

Sincerely,
