SEPTEMBER

Principal's Corner

The school year is really rolling. Students are already going to reading groups, tests are being taken, band and orchestra students have instruments, and learning is happening!

We had a productive first general PTO meeting, and if you haven't talked to a PTO board member, be sure to find out about all the great events and projects coming up with our PTO.

Now that the year is under way, this is a great opportunity to solidify those routines for the entire school year.

Consistent times for bed, breakfast, homework, reading, etc., really help our students to be cool, calm, and collected when they are here with us at school.

Ask your student if he or she has won a positive paw drawing lately — we've seen a lot of good citizens come to the office to be recognized.

Thank you for all you do to support your students every day. We are lucky to have such terrific partners in learning!

Harvest Day Celebration

To kick off the 2011-2012 Farm to School Program, the district Food and Nutrition Service is having a Harvest Day Celebration, Wednesday, September 21st. This year's theme is "Pick of the crop from Idaho." The cafeteria will be featuring local products throughout the lunch menu including trout and potatoes from Idaho and produce from

the Treasure Valley. Here at White Pine we will be doing a few activities to celebrate all week. On Wednesday, there will be a trivia question on the announcements that students can answer, so be sure to listen!

Curious about the March 13, 2012 Supplemental Levy?
Go to www.boiseschools.org
for two articles regarding the levy.
